DETAILED ACTION

1. This Non-Final Office action is in response to the application filed on August 20th, 2003 and in response to the applicant's arguments/amendments filed on November 2nd, 2009. Claims 1, 3-9, 11-19, 21-27, 29-37, 39-45, and 47-54 are pending.

Continued Examination Under 37 CFR 1.114

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on November 2nd, 2009 has been entered.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1, 3-9, 11-19, 21-27, 29-37, 39-45, and 47-54 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 1, 3-9, 11-19, 21-27, 29-37, 39-45, and 47-54 recites the limitation "for each forecast period." There is insufficient antecedent basis for this limitation in the claim. Appropriate correction is required

The following is a quotation of the sixth paragraph of 35 U.S.C. 112:

An element in a claim for combination may be expressed as a means or step for performing a specified function without the recital of structure, material, or acts in support thereof, and such claim shall be

construed to cover the corresponding structure, material, or acts described in the specification and equivalents thereof.

4. Claims 1, 3-9, 11-19, 21-27, 29-37, 39-45, and 47-54 are rejected under 35 U.S.C. 112, sixth paragraph, as the claim limitation "the step of applying the NPV attrition rules" uses the phrase "means for" or "step for", but it is modified by some structure, material, or acts recited in the claim. It is unclear whether the recited structure, material, or acts are sufficient for performing the claimed function which would preclude application of 35 U.S.C. 112, sixth paragraph.

If applicant wishes to have the claim limitation treated under 35 U.S.C. 112, sixth paragraph, applicant is required to amend the claim so that the phrase "means for" or "step for" is clearly **not** modified by sufficient structure, material, or acts for performing the claimed function.

If applicant does **not** wish to have the claim limitation treated under 35 U.S.C. 112, sixth paragraph, applicant is required to amend the claim so that it will clearly not be a means (or step) plus function limitation (*e.g.*, deleting the phrase "means for" or "step for").
